

CHECKLIST

- ☒ **Bed's Made Neatly and Bunks Clear.** Make sure the only things on the beds are decoration and neat bedding.
- ☒ **Floors Are Clean and Clear.** No loose articles (no matter how small) on the floor. Make sure the floor is clean and free of sand, mud, grass, crumbs, etc. No vacuum? Painter's tape works wonders! Lint Rollers also work great and are easy to use!
- ☒ **Surfaces Are Clean and Dry.**
- ☒ **Sinks Are Clean and Dry.** Watch for those loose hairs!
- ☒ **Toiletries Are Put Away.** Do not leave these out in the showers, bathrooms, or around the sink. Team-Color hand soap is okay.
*You can organize stuff in the "closet" space, but be sure that it is not messy.
- ☒ **Mirrors Are Crystal Clear.** Toothpaste spittle, water marks, smudges, etc. (Window marker mirror edge decor is okay)
- ☒ **Shower Is Clean & Dry.** No funky smells, damp air, etc. No sand, mud grass. Squeaky clean (Air fresheners are okay)
- ☒ **Toilet Is Flushed and Clean.** Inside and out. (We've seen some things! 😊)
- ☒ **Limited Wet Towels/Swimsuits Out.** If your swimsuits are soaked, you may hang them neatly in the closet area. Not on the bunks or on the rail outside. You can move them after room checks are over.
- ☒ **Luggage Zipped Up and Put Together Neatly.** Can be under bunks if its neat - zipped and not poking out.
- ☒ **Trash Can Is Empty With A New Bag.** Totally empty; no scraps.
- ☒ **Windows Locked and Curtains Shut.** This is VERY important!!!
- ☒ **Lights Off.** Main/sink/bathroom lights out. Home brought decor lights are okay.
- ☒ **Entryway Clean.**
- ☒ **Door Locked.** THIS IS THE MOST IMPORTANT STEP!!!
- ☒ **Lakeside Only:** The ENTIRE shared bathroom is clean.
- ☒ **BONUS TIPS:** All decor is in place and ready for presentation. Take extra caution in making sure everything will stay presentation-ready all morning.
